DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Moapa River School,
Las Vegas, Nevada,
Feb. 5, 1917.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I have to acknowledge receipt of a copy of Office letter to Sup't Wagner, of the Shivwits School relative to the confusion in statistics between the schools in this section.

This question was presented by Supervisor Creel, a year or two ago. At that time I prepared a list of the Indians under my jurisdiction, giving names and origin of the principal families, and of isolated individuals. A copy of this paper was sent to Mr. Creel, and to the Shivwits and the Kaibab schools. No claim was presented for any Indian mentioned in the list.

I believe that our census roll is straight, but we have Indians from other jurisdictions who spend most of their time on this reservation, and at least as many who belong here but reside elsewhere.

The non-resident Indian is one of the administration problems of the Service. An Indian living away from his proper jurisdiction is a double source of annoyance. The reservation on which he is enrolled and allotted needs his help in the general development; and he is generally

more or less a nuisance at the reservation on which he is an interloper.

A good deal of work done on this reservation is by community effort; roads, line fences, waste ditches, etc., are constructed in this manner. The non-resident is not supposed to lend a hand; and the absent member naturally contributes nothing, although the improvements increase the value of his holdings.

I believe that central authority can do more to lessen this evil than can be accomplished by the respective superintendents. I would suggest that the Office prepare a circular on this subject, designed, principally, to be read to the Indians concerned.

This circular should call attention to the two-fold evil of absenteeism, and state that steps will be taken to lessen the practice. Superintendents should be directed to report to the Office, with copy to interested superintendent, the names of all outside Indians whose presence appears to be unwarranted.

If, for marriage relations, or other good reason, an Indian desires to make a permanent change of residence, he should be asked to give up his former rights, and to seek adoption into the tribe of his choice.

This procedure might be uncalled for on the large reservations, but in this section where there are so many

homeless Indians, there ought to be no idle land. It would seem that, at least, authority should be established whereby the United States might take possession and make use of any trust land persistently neglected by the holder making long and favorable leases thereon, when it could be used to advantage by the Government, or other Indians of the tribe.

This letter could be carried to great length, but I wish only to call attention to facts with which the Office is already familiar. I am especially interested in the premises, as I have a number of able bodied young men who have splendid opportunities on the Moapa River Reservation, but who have taken up with women of the Shivwits tribe, and are letting their valuable lands stand idle.

Very respectfully,

E. G. Murtaugh

Superintendent.

Transmitting census
for fiscal year 1911.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

MOQUI AGENCY,

Keams Canon, Arizona,

August 1, 1911.

The Commissioner of Indian Affairs,
Washington, D.C.

Sir:-

I am forwarding herewith census of eight Hopi villages,
viz: First Mesa (which embraces Tewa, Sitchomnovi and Hane)
Chepauleva, Mashongnovy, Oraibi, Chimopovy and Bacabi.

It is not possible to report the births and deaths at
Bacabi during the fiscal year; there being no school or field
matron at that village. No census has ever been taken of the
hostile faction at Hotevilla.

Respectfully,

A handwritten signature in dark ink, appearing to be "L. C. ...".

Moqui

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Moqui Indian Reservation.
Keams Canon, Arizona.
July 16, 1913.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

There is transmitted herewith a census of the HOPI Indians residing on the Moqui Indian Reservation, Arizona, as compiled from the records of vital statistics in this office, for the fiscal year 1913, ending June 30, 1913.

The report is divided by mesas and villages, as follows:

First Mesa: villages of Walpi, Tewa, and
Sitchumnovi;
Second Mesa: Villages of Chepaulivi and Machongnovi;
Chimopovi (village) located on Second Mesa;
Oraibi) villages of the Third Mesa.
Bacabi)
and)
Hotevilla)

As the Hopi people are so divided among themselves, administrative work on this reservation necessitates the division by villages rather than the topographical division by mesas.

Total population of HOPIS residing on this reserve, 2108.

very respectfully,

W. S. Crane
Superintendent.

NOTE: No census of the Navajo population has ever been taken; efforts have been made, but without success. It is believed the Navajo population is not less than 2,000.
